

West Africa Alliance On Carbon Markets And Climate Finance Template

on the basis of a decision by the German Bundestag

MAPPING ARTICLE 6 ACTIVITIES

Host countries are strongly encouraged to document and record activities within their own borders. It is important to note that this template is specifically tailored for mapping activities aimed at generating ITMOs.

Template: Overview of related Article 6 activities

Activity name	Sector	Type of activity	Implementation Stage	Type of Art. 6 cooperation	Mitigation volume	Volume of investments	Time frame	Capacity building partners	National entities involved	Activity coordinator	Further capacity needs
